The Honorary Chair is Hoboken Mayor David Roberts. "As Honorary Chair, I am proud and happy to support this event, which not only raises funds for Hoboken UMC, a true community hospital that has been part of the fabric of Hoboken for more than a century, but also offers a day of fun and healthy activities for every member of the family. I hope everyone will be a part of the excitement."

### ABOUT US

Hoboken University Medical University is living up to their promise – **"We're Changing More Than Our Name."** Future improvements and expansion call for the renovation of patient rooms, new Labor Delivery and Recovery Suites for its Family Birthing Center and construction of a new state-of-the-art Emergency Department. This will double the size of the current emergency department, which serves more than 30,000 patients annually. Located at Fourth Street and Willow Avenue, this 16,680 square foot addition will feature: additional patient and treatment rooms, two fully-equipped cardiac rooms, psychiatric area, EMS workroom and a pediatric area designed especially for the treatment of children. Your participation in our 5K Race event helps to support these initiatives.
