This year, the proceeds from our fundraiser will benefit Fostering Wishes for Children, a DYFS advocacy group, which provides assistance to foster children throughout the state to help pay for their extra-curricular activities that their foster families might not be able to afford. We will also provide an opportunity grant for young adults in Union and Somerset counties who are in the Aging Out program and are "aging out" of the foster care system and will provide assistance to them with education expenses, housing expenses, etc. Please help us help these kids!
