OF NEW JERSEY

CancerCare is a national non-profit organization that provides free professional support services to anyone affected by cancer: people with cancer, caregivers, children, loved ones, and the bereaved. CancerCare programs—including counseling, education, financial assistance and practical help—are provided by trained oncology social workers and are completely free of charge. Founded in 1944, CancerCare now provides individual help to more than 90,000 people each year, in addition to the more than one million people who gain information and resources from its website. CancerCare of New Jersey operates offices in Ridgewood, Morristown, Princeton and Somerville.

## CancerCare offers:

- Individual Counseling
- Emotional Support
- Patient and Family Support Groups
- Information and Referrals
- Financial Assistance
- Educational Seminars and Workshops
- Telephone Education Workshops
- Professional Education Programs

# 5K Run & Walk For Mom

Dear Friends,

I am honored to announce the 10th annual walk in memory of my mother, Charlotte Dursee. When I began organizing this Walk in 1999, I couldn't imagine that we would raise over \$40,000. In the past nine years, Walk For Mom has grown to include nearly one hundred participants annually, and I hope to continue the expansion of this memorial event. I would like to take this opportunity to thank all of you for your constant and unselfish support.

**I am happy to announce that we will be adding a 5K Run along with the Walk this year!**

Please come out and make Walk For Mom 2008 our best year! Looking forward to seeing you on **Saturday, October 11, 2008!**

Best Wishes,

Tim :
